Hi Jeff,

I believe the compliance plans from 2011 expired in 2015. They have not been amended or modified since that time so they are no longer in effect.

I've attached the original IA and amendment for the Polacca tank project and fill line for your reference. Let me know if you have additional questions. Thanks,

Emmanuelle

**Subject:** Inquiry into the CP of 2011 w/ FMCV PWS#400106?

Emmanuelle,

Jeff Mansfield here, FMCV, I was wondering if you happen to know what became of the Compliance Plan of 2011 w/ FMCV's PWS#400106? I am assuming that the CP of 2011 was either amended or bi-laterally modified by EPA DW9 & Hopi Tribe?

If possible, would you be able to clarify me on this question of mine? I did inquire the same question to EPA 9 Enforcement (Hillary Hect) some time ago, but she did state at the time that she would have to look that info up if possible.

Lastly, would FMCV be able to obtain a copy of the IA prior to the 9/15/17 IA Amendment you provided me with?

If any of the documents or inquiries cannot be obtained, I understand, I just wanted to request the above documents for FMCV recordkeeping purposes. Thanks
